THANKSGIVING HOLIDAY

Thursday, November 24th

The building will be closed for the Thanksgiving holiday on Thursday, November 24th.

All doors and elevators will require cardkeys and the building HVAC system will be on unoccupied mode.

The Property Management office will be closed Friday, November 25th. Please contact Property Management no later than noon on Monday, November 21st if you would like to schedule HVAC services for Thanksgiving Day.

SEATTLE COMMUTE SURVEY 10/3-11/18

1201 Third is required to notify all tenants to participate in the Washington State Department of Transportation's Management Plan (TMP) Survey. This information will assist in understanding how our building population gets to and from work and impacts area traffic. Please note that larger tenants who report directly to Commute Seattle are exempt from this process.

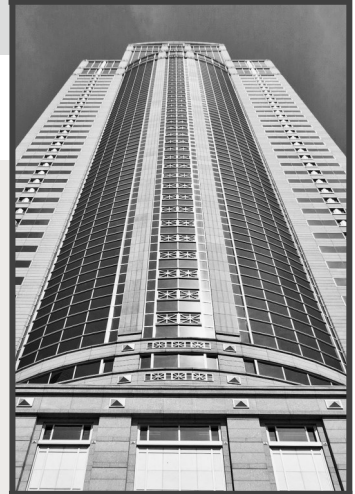

We appreciate the time and effort that it takes to complete this survey. As an added perk for your participation, we will be having a **\$100 Amazon gift card** drawing for all tenants who facilitated this DOT TMP Survey on December 1st.
